

REMARKS

Applicant has reviewed the Office action directed to U.S. Patent Application No. 10/004,465 and having a mailing date of December 16, 2003. Although the Office action cover sheet correctly identifies the referenced application, the Office Action Summary refers to pending claims 1-51 which is not consistent with the number of claims filed in Application No. 10/004,465. Additionally, the corresponding rejection bears no relevance to the subject matter of Application No. 10/004,465 as filed. Applicant therefore respectfully submits that this Office action has been attached to the wrong cover sheet and is not related to Application Serial No. 10/004,465.

10 The Examiner is invited to contact the undersigned if further discussion is needed.

Respectfully submitted,

MARSH FISCHMANN & BREYFOGLE LLP
